

# C1209

## High Gloss Opaque | snappLock | 40#

This high gloss, cast coated paper is ideal for high end labeling applications. This paper is designed for various print technologies including flexographic and UV inkjet. The High Gloss Opaque has a black barrier coating for added opacity, where blackout to underlying images or print is required.

### Features and Benefits

- ✦ black coated opaque barrier
- ✦ colors appear more vibrant
- ✦ greater contrast between light and dark shades
- ✦ sharper resolution allows photo prints to pop
